◆According to Article 19, Paragraph 2 of the Enforcement Regulations of the School Health and Safety Act, the period of suspension of attendance due to the new coronavirus infection is "until 5 days have passed since the onset of symptoms and 1 day has passed after the symptoms have subsided." Therefore, you cannot go to school for 5 days (total of 6 days), starting from the day of onset of symptoms as day 0. "Symptoms relieved" means that the fever has subsided without the use of antipyretics and the respiratory symptoms tend to improve. In addition, it is recommended to wear a mask until 10 days have passed since the onset of symptoms. *The standard period for asymptomatic infected people is 5 days from the day the specimen was collected. According to Article 19, Paragraph 2 of the Enforcement Regulations of the School Health and Safety Act, the suspension period for seasonal influenza is "5 days after the onset of symptoms and 2 days after the fever subsides (3 days for young children).)", so you cannot go to school for 5 days (total of 6 days) starting from the day of onset of symptoms as day 0. In addition, the day when the temperature returns to normal is regarded as the 0th day of fever resolution, and two days (three days in the case of infants) must pass with a normal temperature.
