From the beginning of the new coronavirus and flu to returning to school (kindergarten)

菊川市教育委員会

Onset of symptoms suspected to be novel coronavirus or influenza

Consult a doctor. If you have any questions, please contact the school (kindergarten).

2

 Visit a medical institution and fill out a progress report for the novel coronavirus/influenza

If you are diagnosed with the new coronavirus or influenza, the parent/guardian should fill in the "new coronavirus/influenza progress report" with the date of symptom appearance, date of medical institution diagnosis, and notes from the doctor.

V

lacktriangle Report to the school (kindergarten) by telephone

Please report the following three points to the school (kindergarten) by telephone.

(1) name of the student, (2) grade/class, (3) date of symptom appearance described in the progress report, and Note from doctor

3

Record the progress of home rest and fever

You cannot go to school (kindergarten) until 5 days after the onset of symptoms and 1 day after the fever has passed for the novel coronavirus, and 2 days for influenza (3 days for young children). Please rest in peace at home. Please fill in the report after taking your temperature once in the morning and once in the afternoon every day.

4

After resting for the required period, come to school (kindergarten) with

the novel coronavirus/influenza progress report

The school (kindergarten) will confirm the "New Coronavirus

Influenza Progress Report" and will allow you to come to school

(kindergarten). You do not need to visit a medical institution

5

After coming to school, the school will issue a "Notice of

Suspension of Attendance"

About suspension period of novel coronavirus and influenza

菊川市教育委員会

If you are infected with the new coronavirus, you will be suspended from classes "5 days after the onset of symptoms" and "1 day after the fever subsides". onset of symptoms" and "2 days after fever disappears". After the suspension period ends, bring the "Novel Coronavirus/Influenza Progress Report" and go to school (kindergarten).
