# Covid-19 Vaccination Certificate App Usage Procedure (Kikugawa City Version)

※Please note that you cannot get a certificate on the app immediately after the vaccination because it takes time.

Issuance of the Vaccination Certificate (Example of the Domestic Certificate)

Use of the Certificate

Select the Type

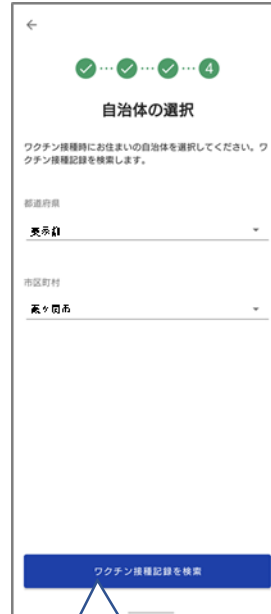

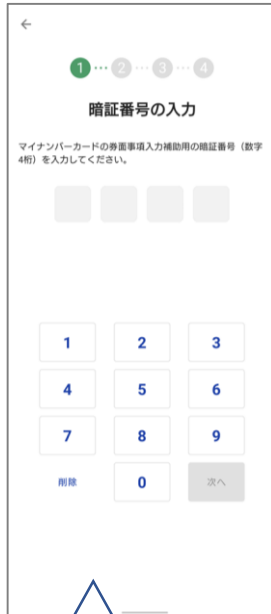

Scan My Number Card

Select Municipality

Confirm Records

Top Page

Details

Select the one "for Japan" or "for overseas."

※Prepare your My Number Card for use in Japan and passport for overseas.

Input the "4-digit PIN" set when receiving your My Number Card.

※If you input the wrong PIN three times, the screen will lock up. In this case, you will need to reset the PIN at the Shimin-Ka or Ogasa Shimin-Ka.

Scan your My Number Card in close contact with your smartphone.

※Please note that the location of contact differs depending on the model.

Select "Kikugawa City"

※Certificate will be issued according to the residence of when vaccinated. Therefore, if you received a vaccination outside Kikugawa City, select the city where you received the vaccination.

Confirm if the contents are correct.

Contact the city office if the records differ from the actual vaccination.

**【Contact】**

**Kikugawa City Covid-19 Vaccination Consultation Desk**

**TEL : 0120-285780**

**Open Hours: Mon to Fri 9:00 to 16:30 (Except for holidays)**

Once issued, you can view your vaccination certificate anytime, anywhere by simply launching the app.
